

## Installation declaration

for an incomplete machine within the meaning of the EC Machine Directive 2006/42/EU Annex IIB

The version of the external ventilation units FLA/FLAI/FLAIR size 63 to 560 with built-in asynchronous internal or external rotor motor or electronic commutate internal or external rotor motor has been developed, designed and produced in compliance with the above EC directives under the sole responsibility of the company

WISTRO  
Elektro-Mechanik-GmbH  
Berliner Allee 29 – 31  
D-30855 Langenhagen

and complies with the requirements of Annex I, Articles 1.1.2, 1.1.3, 1.1.5, 1.3.2, 1.3.3, 1.3.4, 1.3.7, 1.3.8, 1.4.1, 1.4.2.1, 1.5.1, 1.7.3, 1.7.4 of the EC Machine Directive 2006/42/EU.

The following harmonised standards have been used:

EN 60204-1 : 2018  
EN ISO 12100 : 2010 + Cor.: 2013  
EN ISO 13857 : 2019

The special technical documents as per Annex VII Part B have been produced and are completely available.

In case of a justified request, the special documents will be provided to single state authorities. This communication may be made electronically or in printed form. All protective rights remain with the manufacturer stated above.

This product is only intended for integration into a system which is completed with other devices and must be operated as such. The operator of the overall system is responsible for compliance with the Machine Directive and the conformity procedures.

Langenhagen, 22.08.2024

H. Strohmeyer

Manager and person authorised for the special technical documents.
